

Audit Pro Select

Legal and Claim Auditing Service

A Comprehensive, Substantive and Independent Auditing Solution

Customized auditing services designed to meet each client's needs and goals, performed by a team of active claim professionals, claim executives and attorneys who pride themselves on going beyond checking the boxes.

Raise the Bar on Claim Practices and Legal Services!

Claim Departments and Law Firms should view management guidelines as the floor and not the ceiling as a measure of performance, effectiveness and efficiency.

Lessen audit tensions and strengthen the business relationship! Foster mutual cooperation, avoid pushback and create a framework for candid communications between Claim Professional/Management and Attorney/Insurer.
